

Do you want to be part of something bigger than yourself?

Do you want to identify and develop your gifts within a professional field?

Do you want to gain confidence through hands-on experience?

We're looking for passionate, disciplined men and women who want to work in the global marketplace transforming their world for a greater purpose.

GBI provides an unrivaled internship experience. You'll gain increased understanding of the globalized

marketplace and a broader worldview. You'll be challenged daily to grow in character, competence and capacity.

This is a life-changing commitment. You won't be the same person on the other side of a GBI internship.

Make an impact. GBI interns have used their skills to:

- Bring clean water to hard-to-reach mountain villages
- Help construct a hydroelectric dam in a third-world country
- Improve a company's workflow and processes to better serve clients

"I worked in the company's continuous improvement department creating and completing projects to improve processes in the manufacturing facility."

—**GBI intern**

You'll be intentionally chosen and placed.

GBI men and women are placed in professional, vetted internships. We'll connect you to like-minded business leaders who will mentor you to effectively and holistically integrate your work and values.

"My boss consistently asks me the question, 'How can we better the lives of our employees?', pushing me to care about my coworkers through my work." —**GBI intern**

You'll be exposed to multiple aspects of a business.

You'll gain valuable experience to build your resume and start your professional life as you are invested in personally. GBI students gain the confidence to quick start their careers.

"I have greatly enjoyed the experience of solving complex problems, searching out the information I needed, and working with people in all departments of the business, from production to customer support." —**GBI intern**

Qualified GBI applicants:

- Are current university students
- Share GBI vision and values
- Meet GBI academic and moral standards
- Have demonstrated:
 - Character
 - Competence
 - Commitment
 - Capacity

"My GBI internship has been the most helpful, impactful, and meaningful summer I've had in terms of growing, learning, and preparing for the future." —**GBI intern**
